HOMESAVER® LIMITED LIFETIME WARRANTY

FLEXIBLE 304-ALLOY STAINLESS STEEL RELINING PIPE FOR WOOD AND WOOD PELLET APPLICATIONS

Limited Warranty Coverage

Copperfield Chimney Supply, Inc. ("Copperfield") warrants to you (the "Purchaser") that for the period set forth below the HomeSaver® 304-Alloy Stainless Steel Relining Pipe (the "HomeSaver Pipe") and components when used as a chimney relining pipe exclusively for wood and wood pellet burning residential appliances, shall be free from defects in material or manufacturer's workmanship, and from perforation caused by chimney fire or overfiring by you, (the "Purchaser").

Warranty Term

The benefits of this warranty shall apply to you (the "Purchaser") for your lifetime, provided that you continue to own your home where the HomeSaver Pipe is installed. In all events, even if you sell your home, Copperfield will honor the warranty for a period of 10 years from the date of purchase so that even a new owner will benefit from any years remaining at the time you sell your home.

Warranty Conditions

The HomeSaver warranty is subject to the following conditions: 1) installation of the HomeSaver Pipe and components must be in accordance with the manufacturer's written instructions; 2) the HomeSaver Pipe must be used only for the lining or relining of chimneys used to vent wood and wood pellet burning residential appliances; 3) the HomeSaver Pipe must be cleaned and inspected on an annual basis by an experienced

chimney professional, (i.e., at intervals of no more than 12 months each, commencing from the date of purchase), who must initial and date the appropriate section on the reverse side of this card upon completion of such yearly maintenance; 4) corrosive chemical chimney cleaners must not be used; 5) coal, driftwood, wood or wood pellets containing salt, preservative treated lumber, plastic, and household trash must not be burned in the appliance; 6) in the case of a chimney fire, the chimney must be inspected and approved by an experienced chimney professional, according to HomeSaver's Inspection Specification Sheet (available upon request from any HomeSaver installer) before reuse.

Making a Claim / Limitations of Liability

You may make a claim under this warranty by giving notice to your chimney professional and having your chimney professional provide information about the claim to Copperfield. Upon approval of your claim, Copperfield shall provide new HomeSaver Pipe and components to you as your exclusive remedy.

Neither Copperfield nor the installer of the HomeSaver Pipe shall be liable for any removal or installation charges or for any special, incidental, or consequential damages in any way related to, or arising out of, defects in, or damage to, the HomeSaver Pipe. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

HOMESAVER® LIMITED LIFETIME WARRANTY

316, 316 Ti-ALLOY STAINLESS STEEL RELINING PIPES FOR WOOD, COAL, OIL, AND CATEGORY I GAS APPLIANCE APPLICATIONS

Limited Warranty Coverage

Copperfield Chimney Supply, Inc. ("Copperfield") warrants to you (the "Purchaser") that for the period set forth below, the HomeSaver® 316-Alloy or 316 Ti-Alloy Stainless Steel Relining Pipe (the "HomeSaver Pipe") and components when used as a chimney relining pipe exclusively for residential appliances, shall be free from defects in material or manufacturer's workmanship, and from perforation caused by chimney fire or overfiring by you, (the "Purchaser").

Warranty Term

The benefits of this warranty shall apply to you (the "Purchaser") for your lifetime, provided that you continue to own your home where the HomeSaver Pipe is installed. In all events, even if you sell your home, Copperfield will honor the warranty for a period of 10 years from the date of purchase so that even a new owner will benefit from any years remaining at the time you sell your home.

Warranty Conditions

The HomeSaver warranty is subject to the following conditions: 1) installation of the HomeSaver Pipe and components must be in accordance with the manufacturer's written instructions; 2) the HomeSaver Pipe must be used only for the lining or relining of chimneys used to vent residential appliances; 3) use of this pipe for venting gas appliances is limited to Category I appliances; 4) the HomeSaver Pipe must be cleaned and inspected

on an annual basis by an experienced chimney professional, (i.e., at intervals of no more than 12 months each, commencing from the date of purchase), who must initial and date the appropriate section on the reverse side of this card upon completion of such yearly maintenance; 5) corrosive chemical chimney cleaners must not be used; 6) driftwood, wood, or wood pellets containing salt, preservative treated lumber, plastic, and household trash must not be burned in the appliance; 7) in the case of a chimney fire, the chimney must be inspected and approved by an experienced chimney professional, according to HomeSaver's Inspection Specification Sheet (available upon request from any HomeSaver installer) before reuse.

Making a Claim / Limitations of Liability

You may make a claim under this warranty by giving notice to your chimney professional and having your chimney professional provide information about the claim to Copperfield. Upon approval of your claim, Copperfield shall provide new HomeSaver Pipe and components to you as your exclusive remedy.

Neither Copperfield nor the installer of the HomeSaver Pipe shall be liable for any removal or installation charges or for any special, incidental, or consequential damages in any way related to, or arising out of, defects in, or damage to, the HomeSaver Pipe. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
